Kubassa Fundraiser

Selkirk Zorya will once again be selling rings of Kubassa for the upcoming Easter season. Many families will be purchasing kub for their Easter baskets so this is a great opportunity for them to support our club in the process. Our prices are fixed and will not increase right before Easter which is often the case in retail establishments. The sausage supplier is Interlake Packers- the best you can get!

At the end of this newsletter you will find the Kubassa order form. Please use only one form for all of your orders (keep your own list- but just give us the total numbers on one form). Deadline for orders is March 8 and the delivery date is March 22. The price for a coarse ring is 7.00 and 6.00 for a fine ring. Each ring is about 1.2 lbs and is individually vacuum packed for easy storage and handling.

Bonus: For every 10 rings of kub sold, the seller gets 1 free!

Meat Fundraiser

We are happy to report that we will again be offering CT Custom Meats products as a part of our fundraising in addition to the Kubassa from Interlake Packers! For those of you who are new to the club, CT Custom Meats offers a wide selection of quality products at excellent prices! All meats are commercially processed and packaged in a provincially inspected plant.

Customers were very pleased with the products they received from CT last year. It is -28 C outside right now but BBQ season is right around the corner, really it is....

Cory from CT has put together an updated order form for us which is attached to this newsletter. If you can't open the attachment please email me and I will send you a copy in another format. Deadline for orders is March 8 and delivery is March 22- the same as the Kubassa.

Both Kubassa and CT Custom Meats orders will be available for pick-up on March 22 at Happy Thought School – during dance rehearsal time for your convenience!

Please note- the Kubassa order form is at the end of this newsletter and the CT custom meats order form is attached
